Legislators, Election Integrity Groups Oppose SB403 House Version

WHAT: Joint Press Conference to oppose the House version of SB403
w/ Reps. David Dreyer and Bee Nguyen

WHEN: **Mon. March 19, 2:00pm** (or at end of session whichever is later)

WHERE: Georgia State Capitol
Coverdell Legislative Office Building

WHY: The House version:

- Ignored requests to further protect Georgia voters from “new wave” unverifiable voting that tabulates votes hidden in bar codes
- Leaves the evaluation to a partisan State Election Board chaired by the SOS
- Excludes the incoming Secretary of State (SOS) from approving the bid process for the system that SOS will implement
- Lack of definitive, timely and comprehensive, audit requirements

NOTE: A second press conference with SOS candidates will be held in Liberty Plaza across from the Capitol at 3pm
